## COUNCIL BRIEFS

- Summer last year saw temperatures reach over 50 degrees Celsius in Penrith. Council has teamed up with Western Sydney University to publish the Benchmarking Summer Heat Across Penrith Report.

The report identifies locations that reached over 50 degrees Celsius in the area during the summer of 2019–20, challenges the way we think on new developments, and looks at solutions Council and State Government can implement to lower temperatures and create a sustainable and comfortable way of living.

Read the report at [penrith.city/heatreport](http://penrith.city/heatreport)

- Penrith City Council is calling for artists to submit their Expressions of Interest (EOI) to design and create an iconic public art piece for the new Regatta Park recreational precinct.

The EOI period is open until 16 December 2020. This is an exciting opportunity for a talented artist to create an artwork that engages, inspires and welcomes visitors to the Nepean River for generations to come.

The commissioned piece will be a key feature of the new precinct and celebrate the history and significance of the location and reinforce the intergenerational connection between the river and the local community.

More information is available at [penrith.city/regattapark](http://penrith.city/regattapark)

- Experience the streets, laneways and local businesses in Penrith like never before, at ReAnimate Penrith!

Take the family on a crazy adventure to find mind-blowing street art and whacky characters hidden around the city centre! Download the Free ReAnimate app to watch them come to life through your phone.

As it turns to night, treat yourself to dinner, drinks and live music along High Street and be amazed by animations hiding in some of Penrith's finest bars and restaurants.

Explore the city today! View the full program at [ReAnimatePenrith.com.au](http://ReAnimatePenrith.com.au), download the App today.

Proudly sponsored by the Western Weekender.

## PUBLIC EXHIBITION

### Draft Mamre Road Precinct Development Contributions Plan

Council invites you to inspect and provide comment on the draft Mamre Road Precinct Development Contributions Plan.

The Mamre Road Precinct is a new employment area forming an extension of the Western Sydney Employment Area (WSEA), located in the south-east corner of the Penrith Local Government Area. The precinct was rezoned in June 2020 by the NSW Department of Planning, Industry and Environment (DPIE).

A draft development contributions plan has been prepared by Council to deliver the local infrastructure requirements of the Mamre Road Precinct, consistent with the Draft Development Control Plan (DCP) and State Environmental Planning Policy (SEPP).

The draft plan enables the collection of funds from development to meet the costs of providing local infrastructure, which will include:

- Open space and recreation facilities
- Water cycle and stormwater management facilities
- Traffic and transport management facilities

The draft Mamre Road Precinct Development Contributions Plan is on public exhibition until Thursday, 17 December 2020.

The draft plan can be viewed online at [yoursaypenrith.com.au](http://yoursaypenrith.com.au)

You are invited to make a written submission to Council by 5pm Thursday, 17 December 2020 by:

- **Email:** [cityplanningteam@penrith.city](mailto:cityplanningteam@penrith.city)
- **Post:** The General Manager  
(Attention City Planning – Mamre Road Precinct Development Contributions Plan)  
Penrith City Council  
PO Box 60, Penrith NSW 2751

Please include a subject line indicating 'Draft Mamre Road Precinct Development Contributions Plan' in emails and letters.

For further enquiries please contact Natalie Stanowski, Principal Planner on 4732 7403.

## PUBLIC NOTICES

### Kalang Avenue, Camira Street and Carinya Avenue, St Marys – Proposed ‘Trucks Prohibited – Vehicles Under 12.5m Excepted’ Restrictions

Council is proposing to install ‘Trucks Prohibited – Vehicles Under 12.5m Excepted’ signage on Kalang Avenue, Camira Street and Carinya Avenue, St Marys to restrict vehicles over 12.5m in length from accessing the abovementioned streets. Waste collection vehicles will still be permitted on these roads.

The installation of the vehicle length restriction signage will improve traffic flow within the residential area especially within Kalang Avenue, Camira Street and Carinya Avenue, improve the level of service of these roads and minimise damages to the street, kerb and gutter caused by the limited manoeuvrability for vehicles above 12.5m in length.

You are invited to make a submission and provide comments to Council regarding the abovementioned proposal. Submissions must be made in writing and are to be received by Council no later than Monday, 4 January 2020. Written submissions can be submitted by:

- **Email:** [council@penrith.city](mailto:council@penrith.city) and address the email to Mr Anthony Baradhy
- **Post:** Mr Anthony Baradhy, Penrith City Council, PO Box 60, Penrith NSW 2751

### Penrith Sheep Impounding Notice

Penrith City Council is publicly notifying the impounding of one male adult sheep from the vicinity of High Street and Station Street at Penrith. The sheep is desexed and has recently been shorn.

If anyone has a claim to this animal, they are required to contact Penrith City Council Animal Services on 4732 7543 and or [council@penrith.city](mailto:council@penrith.city) with appropriate evidence of ownership. If no submissions are made within seven days from the date of this advertisement, Council may take other action as described in Section 64(1)(b) of the *Impounding Act 1993*.
